Acknowledgments

First, I want to thank my friends and colleagues who have helped me with this project: Robert M. Jarvis, for giving me the push, and confidence, to think I could actually produce this book, in addition to much valuable advice during the creation and revision of the manuscript, and Johnny C. Burris for his encouragement and suggestions. Thanks also to Mark Coady for his support.

Second, Tim Colton at Carolina Academic Press deserves special mention for always being available to help.

Finally, Sahily Picon provided invaluable assistance.

Preface

This book, which contains selected Florida constitutional provisions and statutes, in addition to federal legislation, is a supplement all domestic relations casebooks. By using this publication, students will learn current Florida law, while they sharpen their ability to read and interpret statutes.

The publication also provides practitioners with a handy desktop research tool.

Department refers to the Department of Children and Families unless otherwise specified.

Helpful websites: <http://www.leg.state.fl.us/Welcome/index.cfm> (Florida statutes) and http://www.flcourts.org/gen_public/family/forms_rules/index.shtml#petsup (Florida family law forms).

A revised edition will be published each year to update the statutes. As a result, I would appreciate receiving your comments and suggestions. Please direct them to:
