## Acknowledgments

I extend my sincerest gratitude to all of the Rastafarian sisters who were so generous with their time and with their willingness to share parts of their lives with me. In particular, I am grateful to Maureen Rowe for her keen insights and to Sister Minnie allowing me to witness her indomitable spirit.

I am also grateful to Joann Quiñones-Podomo, my research assistant, for her diligent attention to all aspects of this tome during the crucial stages of this process. My sincerest thanks to my son, Jahmal, for his reading and critique of this work in its final stages.
